Personal Information

- Currently a 4th Semester 2nd year student in Computer Science and engineering from Bharati Vidyapeeth (Deemed To University College of Engineering) Department of Engineering and Technology , navi mumbai
- Graduation Year- 2024 (expected)
- CCGPA- 9.90
- I hold interests in developing solutions for a problem using machine learning. Always passionate about implementing and working on all various aspects of machine learning and as a whole computer science.

EXPERIENCE

Google Developer Student's club, BVP DET-Navi Mumbai -
Community Member

August 2021 - PRESENT

Being an active member I contributed to -
- Developing the club's official website.
- Developed a Personal Portfolio website and deployed it
- Participated in various webinars and events
- Participated in a brain-storming Ideathon on Startup ideas.

CodeChef BVP-DET Navi Mumbai—
Community Member

September 2021- PRESENT

Being an active member I contributed to-

- Participated in coding contests held on codechef.
- Participated in Newton School coding contest.
- Participated in a brain-storming session on Data-Structure and Algorithm.

Mozilla Campus Club, Navi Mumbai—
Former Community Member

December 2020 - June 2021

Being an active member I contributed to-

- Developed the club's official website.
- Participated in an interactive Git and Github session

SKILLS

Data analysis, Problem solving, Proficient Programming, Front- End development , Mathematics,C,Java,Data Structures,SQL

Data Analytics and ML- python, NumPy, Pandas ,Seaborn, Matplotlib, Sklearn.

Front-End development- HTML,CSS, JavaScript,Bootstrap

AWARDS

1. Kaggle - Pandas
2. MathWorks - MATLAB Onramp
3. Datacamp - Introduction to python
4. GDSC - Portfolio development website
5. Data Structures
6. Google DevFest India 2021

Connect with me

2. GitHub
3. Kaggle

EDUCATION-

Specification	Institution	Stream	Passing year	Marks (%)
10th	Presentation convent school, ICSE BOARD	Science	2018	79.5%
12th	Presentation convent school, ISC BOARD	Science	2020	79%
Btech	Bharati Vidyapeeth deemed college of engineering navi mumbai	Computer Science and Engineering	2024	CCGPA 9.9

PROJECTS

1. **Machine Learning model — Music Dataset** – [Link to Project](#)
2. **Data analysis - IMDB-Movie-Data_Analytics** – [link to project](#)

FrontEnd Projects –

1. **Form Validation using Regular Expressions in JavaScript** – **[Link to project](#)**
2. **Quiz App** – **[Link to Project](#)**

Voluntary Experience –

1. **Google DevFest India 2021**- Attended a 3 day Google DevFest 2021 event and Participated and won a quiz held during the fest.
2. **Hacktober Fest 2021** – Made various pull requests contributing to more than 3 open source projects. Successfully completed the Fest and got awarded with schwags
3. Executive member in technical council of college

Hobbies –

- **Poetry Writing**
- **Guitar playing**
- **Basketball**
